Michael Welch

Mountain View, CA, 94040 | (650)-269-6516
michael.welch.99@gmail.com | github.com/JuiceMSW

EDUCATION

Bachelor of Science: Computer Science | Expected graduation in June 2021

University of Oregon | Eugene, OR

EXPERIENCE

IT Administration Assistant | June 2016 - Aug 2018

Mountain View Los Altos School District | Mountain View, CA

• Cataloged, updated, and fixed over 2000 Chromebooks
• Responsible for resolving technical issues with printers, desktops, laptops, projectors, network connectivity, etc.
• Set up workstations for new faculty members
• Communicated with 100+ faculty members to troubleshoot and provide support and equipment

Autonomous Plane | Summer 2019

• Organized and helped lead a group of enthusiasts to design and build an autonomous plane for delivering sodas to each other's houses with minimal human interaction (imagine Amazon Prime Air but way worse)
• Currently finishing the assembly of the custom 3d printed parts of the plane and the software to fly it and are in the processes of reaching out to companies for sponsorships
